

ENTRANCE AGE REVIEW

All children who are residents of the School District of Colby and who will be (4) years of age on or before September 1 are eligible to attend pre-kindergarten. Children who are five (5) years of age on or before September 1 are eligible to attend kindergarten.

Children who meet the age requirements of this state will be enrolled in school at the beginning of the school year. Kindergarten screening and registrations will be held during the month of March or April. Parents or guardians are asked to bring their child's immunization record and birth certificates to the registration. Children must present evidence of immunizations as required by law.

During the kindergarten screening, the child's vision, hearing and weight are checked and they are given a series of simple tests to determine their readiness for school. In addition, parents of three-year-old or four-year-old children who suspect that their child is having significant difficulty with learning, speech, hearing, vision, etc. are encouraged to schedule their child for screening. Students may be admitted early to Pre-K, kindergarten or first grade in accordance with established procedures.
