

CANINE SEARCHES

The Board of Education is committed to maintaining schools that are drug free. Therefore, the School District of Colby, in cooperation with the Colby-Abbotsford Police Department may conduct unannounced canine searches if there is suspected drug use in our district school buildings. While every effort will be made to respect the privacy of individuals during such searches, the Board recognizes, however, that those who bring illicit substances to our schools violate the Federal Safe and Drug Free Schools Act and can expect the consequences which accrue.
