

REFUND OF ACTIVITIES FEES

Parents and/or students requesting a refund of an activity fee will be granted in the following circumstances.

1. The student quits and notifies the head coach within the first ten (10) days of practice.
2. The student and/or parent notify the activities office that they are requesting a refund within ten (10) school days after notification to the head coach.
3. The student is “cut” from the team/activity based upon competitive tryouts.

Parents and/or students requesting a refund of an activity fee due to a season ending injury will be granted in the following circumstances.

1. The student and/or parent provide the activities office with a statement from a physician that an injury prevents the student from participation in an activity for the remainder of the season within ten (10) school days after the physician’s statement.

Requests for a refund of an activity fee due to an involuntary removal or suspension from an activity for an athletic code and/or performing arts code violation will not be approved.
