

## **STUDENT FEES POLICY**

The School District of Colby supports the need to provide a free public education to all children enrolled. The District may charge student fees for certain activities, courses and services which may require additional funding and may assess charges when school property is damaged or lost. No district wide student enrollment fees will be assessed.

Student fees will be reviewed by the Superintendent annually. Any new or increased student fees will be Board approved. Fee schedules shall be consistent with state and federal laws and regulations. Receipts for all student fees shall be completed.

### **Collection of Fees and Charges**

The District Administrator or designee shall be expected to protect the taxpayers of the District by making every effort to collect all fees and charges due the District. The District may use small claims court or collection agencies/services to collect student's debts, fees and charges due to the district prior to participation in Commencement.

### **General policy**

The Board of Education shall furnish such textbooks, supplies, supplementary texts, and instructional materials as are necessary to the best implementation of the curriculum in all grades.

### **Exceptions (Any exception must be authorized by the principal.)**

Expendable materials in the nature of laboratory manuals, bookkeeping workbooks, agriculture workbooks, and other aids that become the personal property of the student shall be purchased by the school and sold to the student at cost.

Any student who, through the course of instruction, produces any article for their personal use or ownership, will pay the cost of the material used in the construction of each article.

The Board may also charge for instruction, instruments, or specialized equipment/apparatus necessary for study or extra-curricular involvements.
