

## **Referendum Task Team Meeting #4 June 22, 2016**

Present were: Eric Elmhorst, Monica Tesmer, Lisa Kirker, Cheryl Ploeckelman, Lilia Parra, Jean Schmitt, Jean Rosemeyer, Randy Schade, Lavinia Bonacker, Deb Koncel, Lin Mueller, Bill Tesmer, Jennifer Lopez, Jeff Rosemeyer, Steve Kolden, and Kristen Seifert. Also present were representatives from Miron, HSR, and School Perceptions.

Sue from School Perceptions reviewed the survey results. Lisa Kirker raised a concern regarding getting the accurate message out to all on the financial reasons for the grade shifts. This may help them to understand the reason behind the referendum question to add on to the elementary school.

The committee then reviewed the comments portion of the surveys.

The committee will now reflect on the survey results and spread the word in the community that the survey results were positive and there is still time to complete the survey. If anyone is in need of a survey contact the District Office.

Next meeting is July 13 @ 6:30 PM in the Middle School Library.
