

PUBLIC ACCESS TO PERSONAL FINANCIAL DATA LIMITED

The School District annually conducts financial transactions with students, employees, retirees, and vendors/contractors that may involve financial data that is personal and confidential. The Board of Education prohibits any school district authority (as defined the State of Wisconsin's public records law) from providing access to personally identifiable data/information that contains an individual's account or customer number with a financial institution, including credit card numbers, debit card numbers, checking account numbers or draft account numbers unless specifically required by law.
