Drop off zone

Drivers must enter for the east side of Dolf Street. Stay on the right hand side of the driveway. Pull up close to the curb so that your students enter the sidewalk from the passenger side of the vehicle closest to the building. Staff members monitor the drop off area and assist if needed. Drivers stay in their vehicles in order to keep the flow of traffic moving. When your child is safely out of the vehicle, exit the west end of the driveway onto Dolf Street. Safety is our focus. Always watch for student that might be crossing the driveways, either walking or riding bike. We ask that you be considerate of one another by holding up traffic. If you plan to exit your vehicle, please pull into a parking spot. At no time should an unaccompanied vehicle be left in the driveway.

USE OF THE STAFF PARKING LOT WHEN DROPPING OFF OR PICKING UP A CHILD IS PROHIBITED

Pick up Zone

If you are planning to pick up your child at the end of the day please wait outside for your child.

If you have a change in their normal procedure for going home, please **call the Elementary office prior to 3:00 pm.**

At the end of the school day, for the safety of all students, please pull into a parking spot. The youngest students are dismissed first followed by the older students. We ask that you come to the overhand to pick up your student. Once you have your student(s), please take them to the vehicle and buckle them up and exit the parking lot to make room for other parents. Do not block the driveway by stopping your vehicle in the middle of the driveway. For the safety of our students, we do not allow them to walk without an adult into the parking lot.
