4. Once logged in, a pop up will appear. Select Link data.

Link your Chrome data to this account?                    ✕

This account is managed by colby.k12.wi.us

You are signing in with a managed account and giving its administrator control over your Google Chrome profile. Your Chrome data, such as your apps, bookmarks, history, passwords, and other settings will become permanently tied to akruger@colby.k12.wi.us. You will be able to delete this data via the Google Accounts Dashboard, but you will not be able to associate this data with another account. Learn more

5.  On the next pop up, please select Yes, I'm in.

6.  You should now have your initial or google picture appear in the upper right hand corner of google chrome.

7. To verify sync has been turned on, select the bubble in the upper right hand corner. You should now be able to see detailed information with your name.
