

TRANSPORTATION TO BABYSITTERS

The District policy for considering requests by parents to have their children transported to a babysitter is as follows:

- a. All requests must be made using the form below. Any changes to the pick-up and drop-off point during the course of the school year require your filling out another form and be approved.
- b. There shall be no additional cost to the District.
- c. There shall be no modification or change in any route to accommodate the request
- d. A change of bus assignment will be allowed only if seating is available on the bus.
- e. **The request must identify one bus stop for entire school year.** That is, the student will be picked up and dropped off at the **same location or route every day of the week for the entire school year without change.**

The legal responsibility of the District in transporting children to and from school is limited to providing services to their legal residence. The District will provide service on those occasions which meet the above criteria to accommodate a working parent by transporting the student to and from a babysitter.
