## SCHOOL DISTRICT OF COLBY EDUCATION CENTER

Dr. Steven Kolden, Superintendent

August 2020

Colby School District Staff,

**Welcome back** to THE most unusual start to a school year that any of us have seen! SO much is changing and so quickly; I would **encourage** you to check your email frequently before returning. Within the next week, DPI will provide an update on <u>Regulatory Flexibility</u> (the rules/laws we must follow), DHS plans two updates releasing a new <u>Decision Framework</u> and a statement relative to <u>athletics</u>. We will keep you updated as recommendations continue to evolve.

We will join Abbotsford at Abby HS for the annual Abby / Colby Chamber lunch on August 18<sup>th</sup> at noon, THIS YEAR, only new staff will be invited to allow for social distancing at lunch in Abbotsford.

Breakfast and lunch options for this year's in-service are all on your own. This is simply to encourage distancing and keeping us all safe. We will plan as soon as practical, a combination of Welcome Back meal and Retirement Celebration that was missed last Spring!

Professional Learning Communities (this is NOT going away!) will continue as a priority, Ken Williams will join us for Staff In-service on Wednesday the 19th. This will be presented to both Colby and Abbotsford staff via zoom, to prevent a larger gathering in our theatre. Administration and some staff from both schools will attend in person to provide an "audience".

"Our greatest weakness lies in giving up, the most certain way to succeed is to try just one more time" – Thomas Edison

"I haven't failed; I've just found 10,000 ways that won't work." – Thomas Edison

This year will inevitably be memorable. We will provide as much flexibility as possible as we're adapting to our ever changing educational landscape.

Enjoy your remaining days of summer! See you too SOON!

Sincerely,

Steve Kolden Superintendent

#### **School Administrators Alliance**

Representing the Interests of Wisconsin School Children

#### SAA Statutory Flexibility Agenda for the 2020-21 School Year August 2020

#### 1. Broad Flexibility in Teacher and Professional Staff Licensure

School districts throughout Wisconsin anticipate facing unprecedented challenges in hiring teachers and professional staff to meet student needs for the 2020-21 school year. Districts need the flexibility to leverage existing licensed teachers to teach outside of their existing licenses. Licensed paraprofessional staff will also be needed to deliver content instruction in cooperation with licensed teachers. Districts may also need to flexibly deploy teachers with substitute-only licenses.

#### 2. Retired Teachers/Staff Returning to Work

Districts need flexibility to rehire retired teachers and staff for critical full-time, part-time, virtual, and substitute teaching positions. The SAA recommends temporarily allowing annuitants to return to WRS-covered school employment without limits on hours or suspension of annuities. We also recommend reducing the "break-in-service" requirement to 15 days.

#### 3. Pupil Counts - September, January, and Summer School

Actual student counts on the third Friday in September, the second Friday in January, and summer school have a significant impact in determining a school district's general aid distribution and revenue limit. Because of COVID-19, these actual student counts may decrease, leaving school districts to face the fiscal consequences for 2020-21 and beyond. School districts should not suffer financially because of the uncertainties of a public health crisis. For 2020-21, the SAA recommends allowing school districts to use their 2019-20 pupil counts or their actual 2020-21 counts (whichever is larger) in determining general aid and revenue limits.

#### 4. Transportation Aid

School districts are required to report to DPI the number of pupils for whom transportation is provided. The actual student counts, upon which district transportation aid is based, may decrease due to COVID-19, even though student health and safety concerns could drive substantial increases in pupil transportation costs. The SAA recommends allowing districts to use their 2019-20 student counts for 2020-21 to prevent a significant loss of transportation aid for school districts.

#### 5. Immunity from Civil Liability for Schools

Clearly, the stated policy of our state and federal governments is for schools to fully open in the fall of 2020. In their good-faith efforts to open schools effectively and as safely as they can, school districts should not be subsequently subjected to costly litigation stemming

from COVID-19 related death, injury, or damages. The SAA recommends that Wisconsin provide school districts and district employees with immunity from civil liability for these issues.

#### 6. Student Assessments

The SAA supports suspending student assessment requirements for the 2020-21 school year. Administering assessments can create COVID-19 related challenges to the health and safety of students and educators. Furthermore, teachers need to focus on overcoming the loss of instruction and addressing the social and emotional needs of children. They need time to build relationships with students and move instruction forward based on individual student needs. In the current environment especially, these student-centered objectives are much more important than taking time to prepare for standardized tests.

#### 7. School and School District Performance Reports

Given the tremendous uncertainty and potential for instructional disruption surrounding COVID-19 and the 2020-21 school year, we question this report's value to parents and to the larger community this year. The SAA recommends suspending the school report card for 2020-21.

#### 8. Open Enrollment Space Determination

Considering COVID-19 and the need for school districts to socially distance students in classrooms, the SAA recommends that Wisconsin allow districts to reset their available space for non-resident students to open enroll into the district in 2020-21.

#### 9. Long-Term Capital Improvement Trust Fund (Fund 46) Flexibility

The LT-CAP has several requirements, including a board resolution to create the Trust, a separate bank account to segregate the funds, a board adopted 10-year capital improvement plan, and a five-year waiting period before funds deposited into the LT-CAP can be spent. Once deposited in the Trust, funds can be used only for specific items in the long-term capital plan. Funds may not be reversed out of the Trust. Given the significant unbudgeted expenditures that will be required for school districts to reopen this fall as effectively and safely as possible, the SAA recommends that Wisconsin provide school districts with temporary flexibility (2020-21) in how they may use funds deposited in Fund 46.

#### 2266 - NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

#### Introduction

The Board does not discriminate on the basis of sex (including sexual orientation or gender identity), in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its

education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits sexual harassment that occurs within its education programs and activities. When the District has actual knowledge of sexual harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating sexual harassment and will take appropriate action when an individual is determined responsible for violating this policy. Members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. Third parties who engage in sexual harassment are also subject to the disciplinary sanctions listed in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing supportive measures as reasonably necessary to restore or preserve access to the District's education programs and activities.

#### Coverage

This policy applies to sexual harassment that occurs within the District's education programs and activities and that is committed by a Board employee, student, third-party vendor or contractor, guest, or other members of the school community.

This policy does not apply to sexual harassment that occurs off school grounds, in a private setting, and outside the scope of the Board's education programs and activities; such sexual misconduct/sexual activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee Handbook(s) if committed by a Board employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to sexual harassment that occurs outside the geographic boundaries of the United States, even if the sexual harassment occurs in the District's education programs or activities. Sexual harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by other applicable Board policies and administrative guidelines, applicable State and/or Federal laws and/or Employee Handbook(s) if committed by a Board employee.

Complaints alleging sexual harassment and/or discrimination on the basis of sex are also covered by and subject to the investigation procedures in Board Policy 5517 - Student Anti-Harassment. Complaints not covered by this policy may still be governed by and subject to the procedures in Policy 5517 - Student Anti-Harassment.

#### Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: "Sexual Harassment" means conduct on the basis of sex that satisfies one or more of the following:

- A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "quid pro quo" harassment);
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, *and* objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).
  - 1. "Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual assault includes rape, sodomy, sexual assault with an object, fondling, incest, and statutory rape.
    - a. *Rape* is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. Attempted rape is included.
    - b. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    - c. Sexual Assault with an Object is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
    - d. *Fondling* is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    - e. *Incest* is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.
    - f. *Statutory Rape* is sexual intercourse with a person who is under the statutory age of consent as defined by Wis. Stat. §§ 948.02 or 948.09, or whose status as a student prohibits such sexual contact per Wis. Stat. §948.095.
    - g. *Other Sexual Contact* includes the intentional emission of bodily fluids on the complainant, or at the direction of the Respondent, for the purposes of sexual gratification as defined in Wis. Stat. § 940.225(5)(b).
    - h. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent
    - i. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep.
  - 2. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

- a. A current or former spouse or intimate partner of the victim;
- b. A person with whom the victim shares a child in common;
- c. A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
- d. A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
- e. Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.
- 3. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- 4. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Formal Complaint: "Formal complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation(s) of sexual harassment. At the time of filing a formal complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a Complainant or a party to the formal complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator, or any District official who has authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent. Imputation of knowledge-based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge.

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are

designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations), leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District over which the Board exercises substantial control, including in-person and online educational instruction, employment, extra-curricular activities, athletics, performances, and community engagement, and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off-school property/grounds if the Board exercises substantial control over both the Respondent and the context in which the sexual harassment occurs.

School District community: "School District community" refers to students and Board employees (i.e., administrators, and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged sexual harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of sexual harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding Staterecognized holidays),

Eligible Student: "Eligible student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

The Board has adopted a grievance process and procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process and procedures are included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: https://go.boarddocs.com/wi/colby/Board.nsf The grievance process and procedures specifically address how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The District Administrator shall also prominently display the Title IX Coordinator's(s') contact information — including Name(s) and/or Title(s), Phone Number(s), Office Address(es), and Email Address(es) — and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

#### **Grievance Process**

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of sexual harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this grievance process before the imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

If a determination of responsibility for sexual harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

The Process described herein relates exclusively to complaints brought under this Policy. The District will continue to handle complaints subject to the District's other nondiscrimination and anti-harassment policies, including: Policy 5517 - Student Anti-Harassment; Policy 5517.01 - Bullying; 2260 - Nondiscrimination and Access to Equal Educational Opportunity; Policy 2260.01 - Section 504/ADA Prohibition Against Discrimination Based on Disability.

#### Report of Sexual Discrimination / Harassment

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or sexual harassment promptly to the/a Title IX Coordinator or to any Board employee, who will, in turn, notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of sexual harassment by or involving the Title IX Coordinator, the person making the report should submit it to the District Administrator, or another Board employee who, in turn, will notify the District Administrator of the report. The District Administrator will then serve in place of the Title IX Coordinator for purposes of addressing that report of sexual harassment.

The Board does business with various vendors, contractors, and other third parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or third-party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or third party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or third-party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a formal complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of sexual misconduct/sexual activity not involving sexual harassment will be addressed through the procedures outlined in Board policies the applicable Student Code of Conduct, or Employee Handbook(s).

Because the Board is considered to have actual knowledge of sexual harassment or allegations of sexual harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of sexual harassment or allegations of sexual harassment, a Board employee who has independent

knowledge of or receives a report involving allegations of sex discrimination and/or sexual harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to Wis. Stat. 48.981 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of sexual harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of sexual harassment is made, the Title IX Coordinator shall of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the Complainant the process for filing a formal complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purposes of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. In determining whether to impose emergency removal measures, the Title IX Coordinator shall consult related District policies, including Policy 5120 - Assignment within District; Policy 5605 - Suspension/Expulsion of Students with Disabilities, Policy 5610 – Suspension and Expulsion, and Policy 5611 – Due Process Rights.

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process. Such leave will typically be paid leave unless circumstances justify unpaid leave in compliance with legal requirements.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of sexual harassment or otherwise.

### Formal Complaint of Sexual Harassment

If a formal complaint involves allegations of sexual harassment by or involving the Title IX Coordinator, the Complainant should submit the formal complaint to the District Administrator, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process with respect to that formal complaint

The Complainant's wishes with respect to whether a formal complaint is filed will be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances.

When the Title IX Coordinator receives a formal complaint or signs a formal complaint, the District will follow its grievance process and procedures, as set forth herein. Specifically, the District will undertake an objective

evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly making false statements or knowingly submitting false information during the grievance process, including intentionally making a false report of sexual harassment or submitting a false formal complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct and the Employee Handbook.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

#### Timeline

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action, except that any complaint covered by Policy 5517 - Student Anti-Harassment as well must comply with the timelines in that Policy, however, an investigation may still proceed as required under this Policy. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or an accommodation of disabilities. The Title IX Coordinator will provide the parties with reasonable updates on the status of the grievance process.

Upon receipt of a formal complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- A. Notice of the Board's grievance process, including any informal resolution processes;
- B. Notice of the allegations of misconduct that potentially constitutes sexual harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice must:
  - 1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
  - 2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence.
  - 3. this policy, and/or Employee/Administrator Handbook that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

#### Dismissal of a Formal Complaint

The District shall investigate the allegations in a formal complaint *unless* the conduct alleged in the formal complaint:

- A. would not constitute sexual harassment (as defined in this policy) even if proved;
- B. did not occur in the District's education program or activity; or
- C. did not occur against a person in the United States.

If one of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the formal complaint. If the Title IX Coordinator dismisses the formal complaint due to one of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator *may* dismiss a formal complaint, or any allegations therein, if at any time during the investigation

- A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein;
- B. the Respondent is no longer enrolled in the District or employed by the Board; or
- C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

If the Title IX Coordinator dismisses a formal complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

#### Consolidation of Formal Complaints

The Title IX Coordinator may consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one Complainant or more than one Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

#### Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a formal complaint of sexual harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a formal complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve

a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

- A. the allegations;
- B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations; and
- C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur are stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee sexually harassed a student.

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a formal complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is (are) directed to use the preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence, from all relevant sources.

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the party provides the District with voluntary, written consent to do so; if a student party is not an eligible student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

- A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
- B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of three (3) days' notice with respect to investigative interviews and other meetings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the investigator will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to:

the decision-maker(s) issuing a determination regarding responsibility.

#### **Determination of Responsibility**

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the question of any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

Determination regarding responsibility: The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard

The written determination will include the following content:

- A. Identification of the allegations potentially constituting sexual harassment pursuant to this policy;
- B. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence.
- C. Findings of fact supporting the determination;
- D. Conclusions regarding the application of the applicable code of conduct to the facts;
- E. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s) and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
- F. The procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

Disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in sexual harassment) including but not limited to:

#### A. Informal Discipline

- 1. writing assignments;
- 2. changing of seating or location;
- 3. in-school discipline;

#### B. Formal Discipline

- 1. suspension of bus riding/transportation privileges;
- 2. removal from co-curricular and/or extra-curricular activity(ies), including athletics;
- 3. emergency removal;
- 4. suspension for up to five (5) school days;
- 5. suspension for up to fifteen (15) consecutive school days if a notice of expulsion hearing has been sent;
- 6. suspension for up to ten (10) consecutive school days for each incident if the student is eligible for special education services under Chapter 115, Wis. Stats.;

- 7. expulsion;
- 8. permanent exclusion from co-curricular and/or extra-curricular activity(ies), including athletics or current class enrollment; and
- 9. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Suspension and Expulsion, Policy 5610.02 – In-School Discipline, and Policy 5611 – Due Process Rights. The discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

Disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy including but not limited to (i.e., engaging in Sexual Harassment):

- A. oral or written warning;
- B. written reprimands;
- C. performance improvement plan;
- D. required counseling;
- E. required training or education;
- F. demotion;
- G. suspension with pay;
- H. suspension without pay;
- I. termination, and any other sanction authorized by any applicable Employee Handbook.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in sexual harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual.

The discipline of an employee will be implemented in accordance with Federal and State law, and Board policy.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party determined responsible for violating this policy (i.e., engaging in sexual harassment):

- A. oral or written warning;
- B. suspension or termination/ cancellation of the Board's contract with the third-party vendor or contractor;
- C. mandatory monitoring of the third-party while on school property and/or while working/interacting with students;
- D. restriction/prohibition on the third-party's ability to be on school property; and
- E. any combination of the same.

If the decision-maker(s) determines the third-party Respondent is responsible for violating this policy (i.e., engaging in sexual harassment), the decision-maker(s) will recommend appropriate remedies, including the imposition of sanctions. The Title IX Coordinator will notify the District Administrator of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately, imposing a disciplinary sanction/consequence, the District Administrator will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a formal complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process and procedures, the District Administrator may involve local law enforcement and/or file criminal charges related to allegations of sexual harassment that involve a sexual assault.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

#### Appeal

Both parties have the right to file an appeal from a determination regarding responsibility or from the Title IX Coordinator's dismissal of a formal complaint or any allegations therein, on the following bases:

- A. Procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
- B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

The Complainant(s) may not challenge the ultimate disciplinary sanction/consequence that is imposed.

Any party wishing to appeal the decision-maker(s) determination of responsibility, or the Title IX Coordinator's dismissal of a formal complaint or any allegations therein, must submit a written appeal to the Title IX

Coordinator within five (5) days after receipt of the decision-maker(s)'s determination of responsibility or the Title IX Coordinator's dismissal of a formal complaint or any allegations therein.

Nothing herein shall prevent the District Administrator from imposing any remedy, including disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

Specifically, the appealing party must submit with the notice of appeal a written statement challenging the determination of responsibility. The nonappealing party shall have up to five (5) days after receipt of the appealing party's written statement to submit his/her written statement in support of the determination of responsibility.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker's(s') determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within five (5) days of when the parties' final written statements were submitted.

The determination of responsibility associated with a formal complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. No further review beyond the appeal is permitted.

#### Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of sexual harassment, filing a formal complaint, or participating in an investigation, is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

#### Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. 1232g, or FERPA's regulations, and State law under Wis. Stat. § 118.12, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled with respect to the investigative record and determination of responsibility).

## Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment.

#### Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- A. the definition of sexual harassment (as that term is used in this policy);
- B. the scope of the District's education program or activity;
- C. how to conduct an investigation and implement the grievance process appeals and informal resolution processes, as applicable; and
- D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

All Board employees will be trained concerning their legal obligation to report sexual harassment to the Title IX Coordinator. This training will include practical information about how to identify and report sexual harassment.

#### Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not

clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records pursuant to Wis. Stat. § 19.21(6):

- A. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity;
- B. Any appeal and the result therefrom;
- C. Any informal resolution and the result therefrom; and
- D. All materials used to train Title IX Coordinators, investigators, decision makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website.

Outside Appointments, Dual Appointments, and Delegations

The Board retains the discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains the discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The District Administrator may delegate functions assigned to a specific Board employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor, to any suitably qualified individual and such delegation, may be rescinded by the District Administrator at any time.

#### Discretion in Application

The Board retains the discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains the discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains the discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.
