Water Aerobics

An excellent opportunity for individuals to stretch, tone the muscles and improve the body's aerobic system! Water creates resistance which makes you work hard, yet supports the body preventing those aches and pains from exercising on dry land. No swimming skill is required. You do not need to get your face or hair wet.

Writing About Life Experiences

This class will explore ways to recall and record special times, places, and events in our lives. There will be time to write about various topics and we will practice ways to remember different experiences. The purpose of this class will be to get some of our thoughts and ideas down on paper and/or stored on the computer. We will practice journal writing and discuss the power of this kind of writing. Most importantly, we will concentrate on how we can pass on some of our life experiences to friends, family and future generations.
