

## Stinky Cheese Game

Cut apart the number cards and place them in a bag or bucket. Add the 'stinky cheese' cards too. Take turns picking out a card and identifying the number. If the number is correctly identified, the player can keep the card. Whoever has the most cards at the end of a 10 minute period wins. Be careful though, if you pick the 'stinky cheese' card, you need to put all of your cards back! Good luck and have fun!

Once your child can identify all the numbers, you can use the cards to play Top It. Each player takes one card from the bucket. Whoever has the greatest number gets to take all of the cards in play. If you get a 'stinky cheese' you need to put back all the cards you collected. The player with the most cards wins after 10 minutes of play.
