

School Requirements for Immunization: 7th-11th grades

Vaccines are required for Wisconsin students.* You can get a blank copy of the Student Immunization Record form from your school or download a copy: <https://www.dhs.wisconsin.gov/library/F-04020L.htm>. At the start of the new school year, give the complete Student Immunization Record to the school.

*Vaccine requirements may be waived for health, religious, or personal conviction reasons.

How do I complete the Student Immunization Record?

 Call your doctor or local health department and make a **vaccine visit** as early as possible.

 Ask your doctor to **fill out** the Student Immunization Record form (F-04020L) and then you **sign** it.

 **Give** the Student Immunization Record form to the school at the beginning of the new school year.

 **Call** your doctor's office or local health department if you **need help** or more information.

 You can track and print your student's vaccine record through the Wisconsin Immunization Registry: <https://www.dhs.wisconsin.gov/immunization/wir.htm>.

What vaccines and how many doses does my student need for school?

► Your doctor may recommend additional vaccines to keep your student healthy.

4 Polio

4 DTaP/DTP/DT/TD

3 Hepatitis B

2 Varicella**

2 Measles, Mumps, Rubella

1 Tdap

1 Meningococcal ACWY-containing vaccine

**Varicella vaccine is not required if there has been a chicken pox diagnosis by a qualified health care provider (MD, DO, NP or PA). If a student has an existing parental report of varicella disease on file, that is acceptable. Any new entrants will require documentation from a qualified health care provider.
